

# Missouri House of Representatives

## Resolution

*Whereas*, the members of the Missouri House of Representatives are always proud to support those initiatives aimed at promoting positive growth and progress in this state; and

*Whereas*, Dr. Mike Mehrdad of Columbia, Missouri, has developed a number of innovative electrical and energy systems and devices, among which is the globally-recognized ElectroFlow System; and

*Whereas*, the ElectroFlow System improves power quality and saves energy by up to thirty-four percent for industrial, commercial, and institutional applications; and

*Whereas*, Dr. Mehrdad is President of Electenergy Technologies, Inc., an engineering company based in Missouri with representations in fifty-two countries worldwide; and

*Whereas*, the recipient of a Ph.D. in Electrical Engineering from the International University, Dr. Mehrdad has held numerous technical and educational seminars and training workshops throughout the world, and has published a number of important technical papers in the fields of electrical power and energy; and

*Whereas*, Dr. Mehrdad has received many awards and recognitions at both the national and the international levels, including the 1992 "Entrepreneur and Exporter of the Year" award from the U.S. Department of Commerce and the "NACUBO" Award; and

*Whereas*, Dr. Mehrdad is engaged in promoting his one-of-a-kind state-of-the-art energy savings and power quality system, assembled in Callaway County, for national and international distribution;

*Now, therefore, be it resolved* that we, the members of the Missouri House of Representatives, Eighty-seventh General Assembly, hereby unanimously commend and applaud Dr. Mike Mehrdad for his pioneering achievements in promoting better and more efficient use of our dwindling energy resources, and further support his efforts in distributing the ElectroFlow System; and

*Be it further resolved* that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Dr. Mike Mehrdad, as a measure of our esteem for him.
